

The image features a background photograph of an outdoor patio area. A wooden deck is bordered by a series of vertical wooden posts connected by thick, braided rope. Small, warm-toned lights are placed at the base of each post. To the left, a teal boat is repurposed as a planter, filled with various colorful flowers. In the background, a building with large glass windows is visible, showing an interior with tables and chairs. The sky is a clear, light blue.
